## CLASS OF 2013

Undergraduate student outcome data for the Lehigh University Class of 2013 includes those students who received bachelor's degrees between January and December 2013. Career Services collected the data included in this report from January 2013 to January 2014.

Of the 1,020 bachelor degree recipients, verifiable post-graduation career activities were obtained for 88% of the graduates. This data was acquired directly from graduates, employers, university staff members, parents, and LinkedIn profiles. The percentage, or knowledge rate, of similar data collected by other universities nationwide is 60-65%.

## UNDERGRADUATE OUTCOMES SUMMARY

"Graduate School" includes Lehigh President's Scholars. Under this program, students who graduate with a GPA of 3.75 or higher may qualify to take a fifth year of classes tuition free.

"Other" includes volunteer, military, travel, temporary or part-time employment, and non-employment by choice.
